

## Bucket Type Concrete Mixing Plant 50m<sup>3</sup>/H Cement Batching Plant

Our Product Introduction

for more products please visit us on [sunnyconcretebatchingplant.com](http://sunnyconcretebatchingplant.com)

### Basic Information

- Place of Origin: Hunan
- Brand Name: SUNNY
- Model Number: HSZ50
- Minimum Order Quantity: 1 set
- Price: USD 11000-15000/ SET
- Packaging Details: container
- Delivery Time: 25-30 days
- Payment Terms: L/C, T/T, D/P, Western Union, MoneyGram
- Supply Ability: 20 Set/Sets per Month

### Product Specification

- Maaterial: Cement, Crushed Stone, Sands And So On
- Application: Building Works,Construction Projects,bridges,docks,airport
- Control System: Automatic PLC Control,totally Automatic
- Productivity: ≤35m<sup>3</sup>/h
- Mixer: JS750 Twin-shaft Concrete Mixer
- Warranty: 12 Months
- Condition: New
- After-sales Service Provided: Engineers Available To Service Machinery Overseas,Online Support,Video Technical Support,Field Installation,commissioning And Training
- Highlight: **Bucket type Concrete Mixing Plant, Concrete Mixing Plant 50m<sup>3</sup>, cement mixer**

## Product Description

Bucket type Concrete Mixing Plant 50m<sup>3</sup>/h cement Batching Plant

### Bucket type Concrete Mixing Plant 50m<sup>3</sup>/h Concrete Batching Plant

Flexibility and customization are additional advantages of the HZS90 model. It can be tailored to meet specific project requirements, allowing adjustments in the bucket capacity, ingredient quantities, and overall plant layout. This adaptability makes it suitable for a wide range of construction applications, enhancing efficiency and productivity.

The HZS90 bucket type concrete batching plant is designed with user convenience in mind. It features user-friendly controls and a well-organized layout, making it easy for operators to monitor and control the batching process. Safety features are also integrated to ensure a secure working environment for the operators.

In summary, the HZS90 bucket type concrete batching plant is a reliable and efficient solution for medium-sized construction projects. With its precise measurement, high productivity, and customizable design, it enables the production of consistent and high-quality concrete, meeting the diverse demands of construction applications.

Model	HZS35	HZS50	HZS75	HZS100
Production in Theory (m <sup>3</sup> /h)	35	50	75	100
Mixer Type	JS750	JS1000	JS1500	JS2000
Mixing Motor Power (KW)	2×15	2×18.5	2×30	2×37
Cycle time(S)	60	60	60	60
Mixer Discharging Volume(L)	750	1000	1500	2000
Maximum Particle Size of Aggregate(mm)	60	60	60	80
Batching Volume(L)	1200	1600	2400	3200
Aggregate Species	2-3	2-4	4	4
Aggregate lifting motor power(kw)	7.5	15	18.5	22
Discharging Height (m)	4	4	4	4
Installed Capacity(KW)	50	70	110	120

#### Features of concrete batching plant:

- 1.It adopts combined structure and unitized module, which is short, quick and very convenient for installation and demolition .
- 2.Increase the unloading angle of the aggregate bin to solve the problem of unloading difficulties caused by rain
- 3.It is convenient and quick to use the cylinder discharge or electric push rod to discharge.
- 4.The overall steel structure of the mixing station is made of high-quality steel, which has high overall structural strength and strong stability.
- 5.The mixing machine adopts the twin-shaft forced mixing main machine, which has strong mixing performance, uniform mixing and high productivity.
- 6.Excellent pneumatic components, electrical components, etc.; to ensure the reliability of the equipment, accurate metering performance.
- 7.Each maintenance and repair site is provided with a walking platform or a check ladder, and has sufficient operation space. Easy maintenance and repair
- 8.Environmental protection and energy saving, using pulse dust removal, recycling waste-water for reuse

**Q: What's your after-sale service?**

A: 12 months warranty for main parts since departure. On-site installation, debugging, workers training. Make sure that your workers operate properly and know daily maintenance well. Q: What's your delivery time?

A: The goods will be delivered in 30-45 days after the 30% of the total amount is paid as deposit, and maybe a little longer if busy in the factory.

B: Generally it is 7-10 days if the goods are in stock. or it is 15-20 days if the goods are not in stock, it is according to quantity.

**Q. How long do you warranty your concrete batching plant?**

A: We shall guarantee that the commodity for 1 year, excluding the wearing parts, and we will offer our customers the wearing parts all the time with favorable price.

**Q: What should I do if I experience a problem on our equipment?**

A: You could email us the photos to show what happens or call us, and our service line is available 24/7, and then we will feedback you immediately. Also on-site technician service available as request.

**Q. How can we install the plant?**

A: Our engineer will make installation drawing before we send the machine, and our engineer will go overseas to guide and train the installation after everything is already set in customer's construction site.

**Q: Do you have CE certificate for your concrete batching plant?**

A: Yes, we have. It is our patent products, certificated by CE.
