

## High Mixing Quality Smart Modular Screed Concrete Fixed Concrete Mixing Plant Hzs25-240m3/H

Our Product Introduction

for more products please visit us on [sunnyconcretebatchingplant.com](http://sunnyconcretebatchingplant.com)

### Basic Information

- Place of Origin: Hunan
- Brand Name: SUNNY
- Model Number: HSZ25
- Minimum Order Quantity: 1 set
- Price: USD 11000-15000/ SET
- Packaging Details: container
- Delivery Time: 25-30 days
- Payment Terms: L/C, T/T, D/P, Western Union, MoneyGram
- Supply Ability: 20 Set/Sets per Month

### Product Specification

- Maaterial: Cement, Crushed Stone, Sands And So On
- Application: Building Works, Construction Projects, bridges, docks, airport
- Control System: Automatic PLC Control, totally Automatic
- Productivity:  $\leq 35\text{m}^3/\text{h}$
- Mixer: JS750 Twin-shaft Concrete Mixer
- Warranty: 12 Months
- Condition: New
- After-sales Service Provided: Engineers Available To Service Machinery Overseas, Online Support, Video Technical Support, Field Installation, commissioning And Training

## Product Description

### HZS25 Bucket Type Batching Plant

>Three-point suspension sensors equipped to guarantee accurate and fast powder and liquid weighing;

>Dust collection system mainly aims at dealing with dust generated in the process of loading the mixer and pumping powder into the powder tank, the whole HZS25 small concrete batch mix plant is all in closed state;

>UPS, stable performance Siemens PLC, high speed and precision weighing unit module combined with our professional control and monitoring software;

>Full automatic and easy operated production process of material measurement, transfer, mixing and discharging.

>Heating system and ice plant could be adopted into this concrete plant in severely cold and hot environment.

#### Key Features:

##### Compact Design:

The HZS25 features a space-saving layout, making it suitable for areas with limited construction space while maintaining high productivity.

##### Production Capacity:

Capable of producing 25 cubic meters of concrete per hour, it meets the demands of small-scale construction projects, including residential housing, roads, and rural infrastructure.

##### Advanced Mixing System:

Equipped with a twin-shaft concrete mixer, it ensures thorough and uniform mixing, resulting in superior concrete quality.

##### Accurate Weighing System:

Integrated electronic weighing systems for aggregates, cement, and water guarantee precise proportions and consistency in every batch.

##### Easy Operation:

A user-friendly PLC control system simplifies operations and enables automatic or manual control, enhancing operational efficiency.

##### Durability and Stability:

Constructed with high-quality materials and components, the HZS25 batching plant is built for long-term use, ensuring stable and reliable performance under various conditions.

##### Environmentally Friendly:

Features such as dust collection systems and noise reduction components help minimize the plant's environmental impact. Overall, the HZS25 Bucket Type Batching Plant is a valuable asset for construction projects, providing efficient and reliable concrete production. Its compact design, accurate weighing, and high-quality mixing capabilities make it a popular choice among contractors and construction companies.

Model	HZS35	HZS50	HZS75	HZS100
Production in Theory (m <sup>3</sup> /h)	35	50	75	100
Mixer Type	JS750	JS1000	JS1500	JS2000
Mixing Motor Power (KW)	2×15	2×18.5	2×30	2×37
Cycle time(S)	60	60	60	60
Mixer Discharging Volume(L)	750	1000	1500	2000
Maximum Particle Size of Aggregate(mm)	60	60	60	80
Batching Volume(L)	1200	1600	2400	3200
Aggregate Species	2-3	2-4	4	4
Aggregate lifting motor power(kw)	7. 5	15	18.5	22
Discharging Height (m)	4	4	4	4
Installed Capacity(KW)	50	70	110	120

**Q: What kind of products do you have?**

1. Stationary concrete batching plant arranges from HZS25 to HZS180.
2. Mobile concrete batching plant.
3. Concrete mixer machine.
4. Portable drum concrete mixer with diesel engine.
5. Spare parts including screw conveyor and bolted cement silo.

**Q: Are you trading company or manufacturer?**

A: We are manufacturer. We can design and manufacturer products with our patent. Welcome to visit us to check it!

**Q: What are the terms of payment in your formal trade?**

A: Normally we can work on T/T term ,L/C term and Alibaba Trade Assurance Order Online .

T/T: 30%T/T prepayment , 70% paid by T/T before delivery.

L/C: 100% irrevocable L/C at sight.
