

## High -Production Quality Automation Concrete Batching Plant Hzs90 Lovely Price

Our Product Introduction

for more products please visit us on [sunnyconcretebatchingplant.com](http://sunnyconcretebatchingplant.com)

### Basic Information

- Place of Origin: Hunan
- Brand Name: SUNNY
- Model Number: HSZ90
- Minimum Order Quantity: 1 set
- Price: USD 110000-150000/ SET
- Packaging Details: container
- Delivery Time: 25-30 days
- Payment Terms: L/C,T/T,D/P,Western Union,MoneyGram
- Supply Ability: 20 Set/Sets per Month

### Product Specification

- Maaterial: Cement, Crushed Stone, Sands And So On
- Application: Building Works,Construction Projects,bridges,docks,airport
- Control System: Automatic PLC Control,totally Automatic
- Productivity:  $\leq 90\text{m}^3/\text{h}$
- Mixer: JS1500 Twin-shaft Concrete Mixer
- Warranty: 12 Months
- Condition: New
- After-sales Service Provided: Engineers Available To Service Machinery Overseas,Online Support,Video Technical Support,Field Installation,commissioning And Training
- Highlight: **high-production concrete batching plant, automation concrete batching plant HZS90, affordable concrete batching plant with warranty**

## Product Description

### High-Production Quality Automation Concrete Batching Plant HZS90

#### Product Specifications

Material	cement, crushed stone, sands and so on
Application	Building Works, Construction Projects, bridges, docks, airport
Control system	automatic PLC control, totally automatic
Productivity	≤90m³/h
Mixer	JS1500 Twin-shaft Concrete Mixer
Warranty	12 Months
Condition	New
After-sales service	Engineers available to service machinery overseas, Online support, Video technical support, Field installation, commissioning and training

#### Product Overview

Ready Mix Concrete Batching Plant 90m³/H Precast Concrete Plant Equipment. The HZS90 Concrete Batching Plant is a highly efficient and versatile solution for large-scale concrete production, ideal for infrastructure projects, commercial construction, and various civil engineering applications.

#### Applications

The HZS90 plant is widely used in various construction applications, including:

- Infrastructure projects (roads, bridges, and tunnels)
- Commercial and residential building construction
- Precast concrete production

#### Key Features

- High productivity suitable for **large-scale construction projects**
- Accurate weighing for high-quality concrete
- Automated operation reduces labor cost and improves consistency
- Easy to install, maintain, and relocate
- Designed to meet **ISO** and **CE** standards

#### Technical Specifications

Name of parameter	HZS60	HZS90	HZS120	HZS180	HZS240
Theoretical productivity	60 M³/h	90 M³/h	120 M³/h	180 M³/h	240m³/h
Model of mixer	JS1000	JS1500	JS2000	JS3000	JS4000
Mixing motor power	2x18.5Kw	2x30Kw	2x37Kw	2x55Kw	2*75Kw
Cycle period	60s	60s	60s	60s	60s
Volume of mixer	1000L	1500L	2000L	3000L	4000L
Unloading height	4.0m	4.0m	4.0m	4.0m	4.0m

### Additional Features

- Combined structure and unitized module design for quick installation and demolition
- Increased unloading angle of aggregate bin prevents rain-related unloading difficulties
- Cylinder discharge or electric push rod for convenient operation
- High-quality steel construction for strength and stability
- Twin-shaft forced mixing for superior performance and productivity
- Premium components ensure reliability and accurate metering
- Easy maintenance with accessible platforms and check ladders
- Environmentally friendly with pulse dust removal and wastewater recycling

### Frequently Asked Questions

#### What kind of products do you have?

- Stationary concrete batching plant arranges from HZS25 to HZS180
- Mobile concrete batching plant
- Concrete mixer machine
- Portable drum concrete mixer with diesel engine
- Spare parts including screw conveyor and bolted cement silo

#### Are you trading company or manufacturer?

We are manufacturer. We can design and manufacturer products with our patent. Welcome to visit us to check it!

#### What are the terms of payment in your formal trade?

Normally we can work on T/T term, L/C term and Alibaba Trade Assurance Order Online.

- T/T: 30% prepayment, 70% paid by T/T before delivery
- L/C: 100% irrevocable L/C at sight
